

# GOLFING ON THE ALPINE GREEN

LET THE HAPPINESS IN!

The largest golf club in the Austrian Alps with its two 18-hole courses "Schmittenhöhe" and "Kitzsteinhorn" is a member of the "Leading Golf Courses", offering flat, park-like territory, many natural biotopes and charming, reed-bordered lakes. After the round of golf you can visit the restaurant with its impressive panorama terrace. The golf club was presented with the Golfrevue Award for the "GOLFCLUB OF THE YEAR" and offers a unique combination of skiing & golf.

And: all guests of a golfclub partner hotel benefit from up to 30 percent discount on their greenfees!

# BICYCLE TOURS:

LET THE HAPPINESS IN!

On diverse Zell am See-Kaprun cycle routes that range from sporty to comfortable, the fun of movement is the main thing.

The routes can be short and flat or more demanding ascents, but always fascinating. Whether you like racing bikes, mountain bikes or e-bikes: explore the region's multifarious landscape!

# WHERE SUMMER MEANS OPPORTUNITY: LET THE HAPPINESS IN!

## **Zell am See & Kaprun**

Hiking, mountain biking, paragliding – there is plenty to do in this wonderful region. You can enjoy adventurous outdoor activities, hiking trails through spectacular landscape or a diverse range of water sports. The two legendary holiday resorts Zell am See & Kaprun, embedded in a picturesque Alpine setting, also offer many different attractions.

## **A summer stroll**

The many shops, chic boutiques and the weekly market are all perfect for a leisurely stroll.

## **Climbing & mountaineering**

The Hohe Tauern region and the rock face of the northern Chalk Alps offer a challenge for beginners and experts alike.

### **Tranquillity and relaxation**

In the midst of breathtaking landscape your pulse will calm, if you so wish...

### **Canyoning & rafting**

Glide through the wild water of the nearby rivers Salzach and Saalach. Experienced guides are happy to accompany you.

### **Kaprun Castle**

The castle has been a place of historical, artistic and cultural significance since the 12th century. Today it hosts the Burgfest castle festival, one of the summer highlights of Zell am See-Kaprun.

# 5-STAR WATER QUALITY:

LET THE HAPPINESS IN!

## **Boat trips**

Enjoy a round trip on Lake Zell: From the sundeck lounge on the deck of the MS Schmittenhöhe and its three sister ships you can enjoy breathtaking views of the surrounding mountains.

## **Lido**

The region's lidos, with their water slides and heated pools, provide plenty of relaxation and entertainment from May to September – surrounded by beautiful countryside and a picturesque Alpine panorama.

## **Sailing & water skiing**

You can obtain the internationally recognised sailing license at one of the local sailing schools. Two times Olympic winner Hans-Peter Steinacher learnt how to sail on Lake Zell!

The blue sky is reflected in the clear water of the lake. Its water is good enough to drink, and there are four different lidos to choose from. The water's movement encourages visitors to surf or take a boat trip on Lake Zell, or to go rafting, kayaking or canyoning on the rivers Salzach or Saalach.

# AT THE PEAK OF POSSIBILITIES:

LET THE HAPPINESS IN!

## **Fabulous Schmitten**

Austria's most beautiful panorama mountain invites you to stay for a while as you enjoy the view across more than 30 three-thousand-metre peaks or hike along the many exciting adventure trails.

## **Schmidolin's baptism of fire & chair of fire**

Fun for all the family: follow the footsteps of the Schmidolin mascot. New: kids between 6 and 14 can enjoy the fun on e-bikes!

## **'Art on the mountain' summer**

The many oversized sculptures are a unique cultural attraction.

### **Kitzsteinhorn: Gipfelwelt 3000**

Freedom at more than 3,000 metres altitude: the panorama platform 'Top of Salzburg' affords magnificent views of the biggest national park in the Alps. More information is provided by the info stations of the National Park Gallery and the Cinema 3000. Visit the summit restaurant and enjoy its culinary highlights.

### **ICE Arena**

This unique adventure area by the glacier plateau offers a snow beach and sun lounges, slides, a magic carpet and much more.

### **Maiskogel & Maisflitzer**

Kaprun's family and indulgence mountain has great hiking trails and plenty of places to stop for a meal or snack. The children's and leisure park with Alpine rollercoaster "Maisflitzer", children's traffic park, petting zoo, biotope with educational trail, bike park and much more are sure to make your children's hearts beat faster.

400 KM OF  
HIKING TRAILS JUST WAITING FOR YOU:  
LET THE HAPPINESS IN!

The snow has melted and flowed into the valley, everything that was white in winter is now green. The people follow the path of the water, across rugged rocky landscapes and lush pastures. In Zell am See-Kaprun there is much to choose from: a family excursion, a high-altitude tour of three-thousand-metre peaks, guided hiking tours and tours accompanied by foresters at National Park Hohe Tauern.
